Opportunity definitions –

Employer Speaker: this typically involves working with groups of students either in a session repeated to small groups across the day or in an assembly to a large group of students – talks can focus on, sharing knowledge and expertise of your sector/business, your career pathway, skills employers are looking for, recruitment process and more.

Employer Workshop: this typically involves working with small groups of students with the workshop repeated across the day and features as part of a drop-down day – workshops can be informative on your sector/business and employers are encourage to do a hands-on activity or take a demonstration in of something you

If you would like to be involved in any of the opportunities, please email events@nybep.org.uk with the dates/schools you would like to support. Alternatively, if you would like further information please do not hesitate to contact **Sam Davison** on **01904 567616**

Opportunities for Employers to support North Yorkshire Coast and Ryedale Schools

use in the workplace. Some schools request specifically STEM themed workshops, Science, Technology, Engineering and Maths (STEM) and support with promoting Apprenticeships. Workshops can also provide information to young people on what employers are looking for, support CV writing, Application Forms etc.

Mock Interviewers: Mock interviews typically take place in a large school hall with students scheduled to visit for their allotted time. Employers are asked to ask a set of generic questions provided and to complete a small feedback section on each of the students interviewed. The feedback is presented to the school after the event by NYBEP.

Business Advisers: *this typically involves supporting NYBEP led STEM and Enterprise Challenges for example encouraging/listening to the student's ideas and supporting with the judging of the final ideas.*

Speed Networking: *this typically involves a timed (up to 5 minutes) two- way conversation between employer and student with questions and answers on employers' job role/career pathway. Full information/briefing is provided on the day.*

Various: *any of the above where appropriate.*

CPD/Networking – *opportunities for employers to engage with teachers to support developing resources/updating teachers or employers.*

Career Event – opportunities for employers to engage with young people via an information stand
